On 27 March 2019 we (Oxfordshire County Council) made the above Orders under Section 53(2)(b) of the Wildlife and Countryside Act 1981.

I enclose copies of the orders, and notices publicising them for your information. I also enclose a statement explaining why we made the Orders and the grounds on which objections may be made.

Please note that these orders do not come into effect unless confirmed and therefore do not change the legal record of rights of way (the Definitive Map and Statement) at this stage.
