Dear Ms. Hazlewood,

RE: Application for Definitive Map Modification Order – Restricted Byway, Chalgrove High Street to St. Mary’s Church.

We note with concern that a decision appears imminent to affect the status of this pedestrian right of way. We understand that when the Order is advertised we will have a reasonable period of time to place any objections based on research carried out by Chalgrove Local History Group over forty-five years.

Yours sincerely,

John Steel-Clark,
Chairman.
