16: Health and Safety at the Site Questionnaire

The Inspector will visit the site and will need to know what safety equipment and protective clothing to bring. The following questions indicate the type of information the Inspector will need about the site. Please supply any additional information on a separate sheet of paper.

1. Is the site uneven or does it present any other known risks? Is special footwear or any other Personal Protection Equipment required?

The route is partially metalled (from the High Street, south to and including the car park at the recreation ground). The remainder of the route is along the edge of the village green and recreation ground, over well worn, unsurfaced paths. PPE relating to condition of route not required. Footwear suitable for recent and current weather conditions recommended.

2. Is there any likelihood of exposure to pets or other animals which may present a risk to the safety of the Inspector?

The recreation ground is used for exercising dogs, the route is not separated from the recreation ground.

3. Is the site remote and / or can it be seen from other highways or rights of way?

The site is not remote. It has junctions with a road (High Street), other existing public rights of way, and the church yard of St Mary's church, Chalgrove.

4. Does the site have a good mobile phone signal or is there easy access to a public telephone should the emergency services be required?

Network coverage searched for postcode OX44 7TE:
Outdoor 4G availability on all main networks

5. Is the right of way easily accessible? Will arrangements for access by the Inspector need to be made in advance?

It is easily accessible and no prior arrangements are required.

6. Are there any dangerous pieces of equipment or substances stored at any point along the right of way?
