Dear Sir/Madam

Informal Consultation

Proposed Diversion of part of Tadmarton Bridleway No. 12 Under the Highways Act 1980 s.119.

Proposed Extinguishment of Unrecorded Bridleway Under the Highways act 1980 s118.

This consultation is to seek any comments regarding an application by Tadmarton Parish Council to divert part of the above bridleway. Any comments received will be considered when OCC decides whether to make public path Orders.

The Proposal.

The Definitive routes to be diverted, the length being extinguished and the proposed routes together with their widths are shown on the attached plan HA1980s119&118/630/03564.

A diversion Order for the lengths ABC and DEF would be made under in the interest of the owners of the land crossed by the bridleway and in the interests of the public. An extinguishment Order for the length GHI would be made on the grounds that is not needed for public use. The new route would be FLD and GHJIKC.

The new bridleway would run through a bridle gate onto Hollow Road at Point G. There would be no other structures. The bridleway would be 4m wide along its whole length.

Any comments you wish to make are welcomed I would be grateful for any comments by **Friday 6th August 2021**. Should you have any queries please do not hesitate in contacting me on the below number.

Yours faithfully
