

Wildlife and Countryside Act 1981
Explanatory Statement to Accompany Definitive Map Modification Order

THIS STATEMENT DOES NOT FORM PART OF THE ORDER

Public footpaths, bridleways, restricted byways and byways open to all traffic are recorded on definitive maps and statements. These maps and statements provide conclusive legal evidence of the existence of public rights. Oxfordshire County Council is responsible for the definitive map and statement for Oxfordshire and has a duty to amend it when evidence suggests that it is inaccurate or incomplete. Such amendments are made by means of modification orders made under section 53 of the Wildlife and Countryside Act 1981. These orders do not come into effect until confirmed: If there are any objections which are not subsequently withdrawn, the Council must refer the order and objections to the Department for Environment, Food and Rural Affairs which will decide whether or not to confirm the order.

The Council has made a modification order under section 53 of the Act to add a public footpath to the definitive map and statement from the unclassified highway as shown on the List of Streets at the eastern end of Moor Lane South Newington at grid reference SP 4122 3342 (point A on order plan), leading east southeast to the south of the River Swere, for approximately 170 m to a field boundary at SP 4138 3338 (point B). This statement explains various aspects of the Order.

Oxfordshire County Council has made this Order because there is sufficient evidence to suggest that a public right of way on foot subsists or is reasonably alleged to subsist and therefore this should be shown on the map and statement. This evidence consists of evidence of use. The evidence on which the decision to make the order is based may be seen free of charge at the Countryside Records office (address below). Please telephone 01865 810808 to make an appointment.

Objections or representations relating to the order must be made in writing to the Principal Officer, Countryside Records, Oxfordshire County Council, Ground Floor, County Hall, Oxford OX1 1ND, or countrysiderecords@oxfordshire.gov.uk no later than **21 February 2019**, and must include particulars of the grounds relied on. To be relevant, objections or representations should relate only to the question of the existence or status of rights of way. If there are any objections which are not withdrawn, the Council must refer the order and objections to the Department for Environment, Food and Rural Affairs who will appoint an independent inspector to consider the order and hear the objections, normally by holding a public inquiry. Objectors will be contacted prior to this, if it appears that the representations or objections do not relate to any matters that an Inspector can take into consideration. The Inspector cannot, for example, consider the suitability of the way for public use or any other effects of confirming an order.

The inspector may confirm the order, with or without modifications, or may decide that the order should not be confirmed. Alternatively, the matter may be determined through written representations or a hearing. If there are no objections to the order, or if any made are withdrawn, the Council may confirm the order, and the definitive map and statement will then be modified.

The Council will be willing to discuss the concerns of those objecting or making representations relating to the order. **Please contact the Countryside Records Officer on 01865 328948.** The right of objection to an order is a statutory right, but it should be exercised in a reasonable manner. The Council's costs involved in dealing with objections to orders are normally awarded against objectors only in cases of unreasonable behaviour.
